Business volunteering offers a unique and cost-effective alternative for an office away day and provides employees the opportunity to develop individual and team building skills whilst making a real difference for local wildlife.

The activity fee covers our costs, with any surplus being directed towards targeted wildlife action in Suffolk – a positive net gain for wildlife.

Wild Work Days Include:

- An exclusive, team-building experience in a spectacular setting.
- Equipment and materials provided.
- Task planning, site preparation, risk assessment and insurance cover.
- Task-specific training from our experienced staff. A fun, tangible and rewarding day's work.
